All functional goods vendors must be prepared to:

- display name at booth.
- collect applicable sales tax (home-grown produce and food-producing plants are exempt).
- abide by the guidelines given for acceptable, hand-crafted items for this market.

Guidelines for functional goods:

Items must be hand-crafted and useful for households, particularly in the areas of farming/gardening and the kitchen. Some items we'd like to see available at the market are handmade, functional ceramics, wooden bowls and kitchenware, handmade soaps, aprons, potholders and quilts, cutting boards, etc. This is not an all-inclusive list, so if you create items you believe fit within these guidelines, please apply and include the items you'd like to offer.

We are accepting a limited number of local artisans to exhibit at this market.
